Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver or the right to do so thereafter, or a waiver of any other or subsequent breach of any covenant, condition or restriction herein contained.

**Section 2. Severability.** Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions, which shall remain in full force and effect.

**Section 3. Amendment.** The covenants and restrictions of this Declaration shall run with and bind the land, for a term of fifteen (15) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This declaration may be amended by Declarant or Assigns, at any time prior to the recording of the first deed from Declarant, or Assigns, to any Owner. After the recording of the first deed from Declarant, or Assigns, to an Owner, this Declaration may only be amended by a written instrument signed by not less than Owners of fifteen (15) Lots. If an Owner owns more than one Lot, then the Owner may cast one vote for each Lot owned. For purposes of amending these covenants, the Declarant, or Assigns, shall have such voting rights as are set forth in Article III. **AGREEMENT, GRANT OF EASEMENT  
AND ABANDONMENT OF EASEMENT**

RE-RECORDED TO CORRECT NAME OF LANDOWNER

This Agreement and Grant of Easement ("Agreement") is made by Palisade Irrigation District (the "District"), and ~~Maxwell/Sneddon & Caple/My/Sneddon~~ ("Landowners").  
CAL-MAC PROPERTIES, LLC

Landowners own real property ("Sneddon Property") within the boundaries of the District in Mesa County, Colorado, described as follows:

Beginning at a point 390 feet North of the Southwest Corner of the SW1/4NW1/4 of Section 5, Township 1 South, Range 1 East of the Ute Meridian,  
thence East to the East boundary line of the W1/2E1/2W1/2SW1/4NW1/4 of said Section 5,  
thence North 440 feet,  
thence West to a point North of the Point of Beginning,  
thence South to the Point of Beginning,

The District has a fifty-foot historic right-of-way ("Existing PID Easement") for a portion of the Price Ditch Lateral. To facilitate the anticipated development of the Sneddon Property, the parties have agreed that the District will abandon a portion of the Existing PID Easement in consideration of and in exchange for Landowners granting the District the easement provided for by this Agreement ("New Easement") and performing the other obligations set forth below.

THEREFORE, Landowners grant to the District a permanent non-exclusive easement over, under, and across the South 20 feet of the Sneddon Property, and over, under, and across the East 20 feet of the Sneddon Property up to the northern point of the Existing PID Easement ("New Easement").

The New Easement shall be for the purposes of construction, operation, maintenance, repair, modification and reconstruction of an underground water transmission pipeline, and related structures (together, the "New Pipeline") to be constructed within the New Easement pursuant to this Agreement, and for access by personnel, vehicles and equipment, as the District may determine desirable to utilize and exercise its rights related to the New Easement and New Pipeline.

Landowners agree to construct at Landowners' expense the New Pipeline within that portion of the New Easement that lies below or within twenty feet of any street improvements. The New Pipeline shall extend from the Westerly side of Lot #9 of Forrest Glen Subdivision, Westerly to 29 Road. Both ends of the New Pipeline shall be capped. The New Pipeline shall be constructed in accordance with engineering and construction specifications to be provided by Landowners to the District for approval. Landowners shall notify the District when any portion of the New Pipeline is completed but before it is buried, and the District shall have the opportunity to inspect that portion of the New Pipeline before it is buried to confirm its compliance with those specifications.

Janice Ward, Clerk and Recorder of Mesa County certifies this to be a full, true and correct copy of the original recorded document in my custody.  
Date: 12-10-03 By: Janice Ward, Clerk

Landowners may use the surface portion of their property within the New Easement in any way which does not interfere with rights granted the District under this Agreement, however, other than constructing a portion of a public road over the north part of the New Easement, the Landowner shall not construct or place any improvements or structures fixed to the ground within the Easement. Landowners may not place, or grant any other person or entity, except the Central Grand Valley Sanitation District, an easement or right to place, any other pipelines or underground structures within the New Easement.

This Agreement shall bind and benefit the Landowners and the District, together with their successors, legal representatives, heirs and assigns; and the New Easement shall be a covenant which attaches to and runs with the Property, including after acquired title of the Landowners.

In consideration of the grant of the New Easement and covenants of the parties contained in this Agreement, the District abandons, releases and quitclaims to the present owner those portions of the Existing PID Easement located on the Property and not within the New Easement or County Right-of-Ways.

Each individual signing this Agreement on behalf of an entity warrants and represents to the other parties that he or she is duly authorized to sign this Agreement for that entity and bind that entity to the terms and conditions contained in this Agreement. By signing this Agreement, each of the parties agrees for itself and its successors and assigns to take all actions and sign and deliver all documents reasonably required to fulfill the purposes of this Agreement.

In any action or proceeding concerning this Agreement, the prevailing party (as determined by the judge or other presiding official) shall be entitled to recover that party's reasonable attorney's fees and costs of the action or proceeding (in amounts determined by the judge or other presiding official) in addition to any other relief to which that prevailing party may be entitled.

Signed as of the 5<sup>th</sup> day of September, 2003.

### Covenant for Maintenance/ Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The undersigned, for each Lot owned within the Properties and each Lot hereafter made subject thereto, hereby covenant, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) The annual and special assessments, together with interest, cost, reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost, and reasonable attorney fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the association shall be used exclusively for defraying the costs of irrigation water, maintenance of the irrigation ditches, facilities, to include the irrigation pond and improvements, common area maintenance and repair, if any, maintenance of fencing and landscaping installed at and around the irrigation pond, including the 8 foot wide gate at the irrigation pond. The Assessments shall include Forrest Estates Subdivision Filing One.

Section 3. Regular Assessments. At least 30 days (30) prior to the commencement of each fiscal year, the Board shall estimate the cost and expenses to be incurred by the Association during such fiscal year.

The sum or net estimate so determined shall be assessed to the Owners as an operation and maintenance assessment by dividing the total estimate by the total number of Lots within the Subdivision. Assessments shall be paid in a single annual installment due on or before thirty (30) days following notice of assessment given to the Owner of each Lot by regular mail according to the address of such Owner shown on the records of the Association. Assessments not paid when due shall be delinquent, and shall accrue interest upon the delinquent amount at a rate of interest to be set by the Board.

Section 4. Special Assessments. If at any time during the fiscal year the regular assessment proves inadequate for any reason, including non-payment of any Owner's share thereof, the Board may levy a further assessment in the amount of such actual or estimated inadequacy. The special assessment shall be assessed to the Owners by dividing the total estimate by the total number of Lots in the Subdivision and assessing the resulting amount to the owner of each lot, such assessment to be paid in installments or a lump sum as the Board shall be determine.

Section 5. Capital Improvements. In addition to the regular and special assessments, the Association may levy, in any assessment year, a special assessment for the purpose of defraying in whole or part the cost of any capital improvement to the irrigation ditches, irrigation facilities or improvements, provided that such assessment shall have the consent of two thirds (2/3) of the votes of each class of Members of the Association subject to such assessments.

Section 6. Enforcement. In the event any assessment is not paid when due, the Association may enforce payment of such obligation by any or all of the following remedies:

- A. For any assessment payable in installments, the Association may elect to accelerate and declare immediately due and payable the remaining balance of such assessment.
- B. The Association may bring a suit at law to collect the delinquent assessments, including any accelerated assessment. Any judgement rendered in such action shall include a sum for costs of suit, including reasonable attorney's fees.
- C. All delinquent assessments shall constitute a lien on the delinquent Owner's Lot from the date of delinquency, which lien shall remain a lien on the Lot until paid. At any time following delinquency in the payment of any assessment, the Board may prepare and record in the Mesa County Clerk and Recorder's office a certificate claiming and giving public notice of such lien, which certificate shall state the name and address of the delinquent owner, the legal description of the Lot subject to the lien, the amount claimed due, and the claim of lien is made pursuant to this Declaration. The lien created hereunder may be foreclosed in the manner provided by Colorado law foreclosure of judgement liens upon real property. Nothing contained herein, however, shall be or constitute a limitation upon any other foreclosure remedy, whether pursuant to statute or in equity, available to the Association.
- D. The lien for assessments provided in this section shall be subordinate to the lien of any first Mortgage Deed of Trust or perfected tax lien. The lien of the assessment shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado. The lien for assessments shall remain in full force and effect notwithstanding the sale or transfer of any Lot nor shall any such transfer extinguish the lien for such assessment for payments which become due prior to such sale or transfer. No sale, transfer or foreclosure proceeding brought by the holder of any first Deed of Trust or mortgage shall extinguish the personal obligation of the Owner for delinquent and unpaid assessments.
- E. The Association may refuse to deliver water to any Owner's Lot whose assessment is delinquent.
- F. The Association may suspend the voting rights of any Owner, for the period of time during which any assessment against the Owner's Lot remains unpaid.
- G. The Association may prevent the use of any open space by any owner whose assessment is unpaid.

To seek approval, the plans and specification(s) must be submitted in writing or drawn for the Committee.

Section 2. Other Considerations. Careful attention shall be given to aesthetic consideration of any design submitted in order to enhance the entire Subdivision. The Architectural Control Committee will consider the following:

- A. The overall nature and character of the site and appearance of the structure, including orientation with regard to sun, wind, view, slopes and privacy and the consistent quality use of exterior materials.
- B. The minimal grading of building sites to preserve natural terrain and foliage.
- C. The use of earthen colors and discouragement or prohibition of bright colors.
- D. The installation of patio structures designed such that they will blend and compliment the appurtenant structure.
- E. The use of landscaping and plantings complimentary to the residential character of the neighborhood and sensitive to environmental considerations, including but not necessarily limited to water conservation.

Section 3. Material to be submitted. Plans and specifications shall be submitted to the Committee for review and final approval before construction may be started. Plans and specifications shall contain a plot plan showing lot layout, including set back, final finish and natural grade elevation, floor plans showing overall dimensions, roof plans showing pitch, roof materials and color, exterior elevations showing doors, windows and exterior materials and color, and a perspective sketch if requested, and any other details necessary to explain design features or components

as well as written approval of any and all governmental authorities having jurisdiction over the activity to be undertaken.

Section 4. Approval Period. The Architectural Control Committee shall approve or disapprove, in writing, all plans and requests with five (5) business days after submission of documentation as described in Section 3. In the event the Committee fails to take any action within five (5) days after requests have been submitted, approval will not be required, and the provisions of this Article will be deemed to have been met.

- A. A majority vote of the Committee is required for approval or disapproval of proposed improvements.
- B. The Committee shall maintain written records of all applications submitted to it and all actions it may have taken.

Section 5. Liability. The Committee shall not be liable in damage to any person submitting requests for approval or To any Owner within the Properties by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove with regard to such request.

Section 6. Enforcement. The Committee shall notify the Board of any violations under the jurisdiction of the Association. The Board shall proceed with its enforcement authority pursuant to this Article. Upon violation of any of the conditions contained in this Declaration by any Owner, or by any renter, invitee, guest or family member of any Owner, the Board shall have the following power: The Board shall notify the owner in writing of the specific violation and shall set a time in the notice when the Owner may appear before the Board to review the facts of the violation. Within twenty (20) days after such hearing, the Board shall enter its decision and shall notify the Owner, in writing. Included in the decision will be a statement by the Board on what action must be taken by the Owner to correct the violation and a time period for completion of the remedial action. If the Owner does not complete the remedial action as set forth in the decision, then the Board may commence legal proceedings in the Mesa County District Court seeking damage and/or specific performance of the covenants in this Declaration. The prevailing party may recover all costs and attorney fees incurred in any such proceeding. The City of Grand Junction, by and through its officers, agents or employees may, but shall have no duty, obligation or requirement to enforce against each and every owner, including the Declarant, or Assigns, including but not necessarily limited to the foregoing provision. In the event of enforcement or commencement of an action by the City, pursuant to its rights to enforce under this provision or in accordance with its general civil or criminal jurisdiction, the Owner, Declarant, or Assigns, (if an Owner as defined herein) or the Association shall pay the cost, fees and expenses of the action. Such costs, fees and expenses to include, but not limited to, the City's reasonable attorney's fees or reasonable value of the time expended by the City Attorney.

## ARTICLE X

### General Provisions

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver or the right to do so thereafter, or a waiver of any other or subsequent breach of any covenant, condition or restriction herein contained.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions, which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of fifteen (15) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This declaration may be amended by Declarant or Assigns, at any time prior to the recording of the first deed from Declarant, or Assigns, to any Owner. After the recording of the first deed from Declarant, or Assigns, to an Owner, this Declaration may only be amended by a written instrument signed by not less than Owners of fifteen (15) Lots. If an Owner owns more than one Lot, then the Owner may cast one vote for each Lot owned. For purposes of amending these covenants, the Declarant, or Assigns, shall have such voting rights as are set forth in Article III. No amendment shall serve to adversely affect the terms of priority of any

existing, validly recorded Deed of Trust or Mortgage. Such amendment shall not be effective until recorded in the Mesa County Colorado Clerk and Recorder's office.

Section 4. Conflict Between Documents. In case of conflict between this Declaration and the Articles and the Bylaws of the Association, this Declaration shall control.

City of Grand Junction. In order to prevent the diminution in the enjoyment, use or property value of the development, thereby impairing the health, safety and welfare of the Owners therein, the City of Grand Junction by and through its duly authorized officers and employees is hereby granted the right to take such action as the City may deem necessary to enforce the covenants, conditions, or restrictions contained in this Declaration with the respect to use of the Lots, protection of the easements, maintenance of tract A, landscaping, fencing, and for the purpose of ensuring the Association's and the Lot Owner's compliance with the zoning and other applicable ordinances of the City of Grand Junction. The Association shall not be dissolved without the consent of the City of Grand Junction. Upon request the Association shall convey to the City of Grand Junctions such easements and/or rights-of-way over or through the Common Areas required by the City for public purposes. Such conveyances shall be without compensation to the Association. The provisions set forth in this paragraph shall constitute a permanent covenant which shall not be modified, amended, or revoked without the written consent of the City of Grand Junction through a majority of City Council.

# AGREEMENT, GRANT OF EASEMENT AND ABANDONMENT OF EASEMENT

This Agreement, Grant of Easement, and Abandonment of Easement ("Agreement") is made by Palisade Irrigation District (the "District"), and Cal-Mac Properties, LLC ("Landowner").

Landowner owns real property within the boundaries of the District in Mesa County, Colorado, described as follows:

Lot 45 of Forrest Estates Subdivision Filing One, a subdivision of the City of Grand Junction, in the NE 1/4 SW 1/4 Section 5, Township 1 South, Range 1 East of the Ute Meridian, County of Mesa, State of Colorado, as filed in the records of the Mesa County Clerk and Recorder at Book 3725, Pages 388-390. (The "Property").

The District has a historic right-of-way that is 20 feet in width across the Property and is more particularly described in instruments recorded in Book 1923 at Page 893, and in Book 2597 at Page 1 of the Mesa County, Colorado records ("Existing PID Easement").

To facilitate the anticipated development of the Property, the parties have agreed that the District will abandon a portion of the Existing PID Easement in consideration of and in exchange for Landowners granting the District the easement provided for by this Agreement.

THEREFORE, Landowners grant to the District a permanent non-exclusive easement over, under and across the Property. The easement is more particularly described as follows:

Commencing at the C-W 1/16 corner of Section 5, Township 1 South, Range 1 East of the Ute Meridian whence the C 1/4 corner of said Section 5 bears S89°59'27"E, a distance of 1318.89 feet with all other bearings contained herein being relative thereto; thence, S89°59'27"E along the north line of the NE 1/4 SW 1/4 of said Section 5, a distance of 659.44 feet to the NE corner of the NW 1/4 NE 1/4 SW 1/4 of said Section 5; thence, S00°10'13"E along the east line of said NW 1/4 NE 1/4 SW 1/4 a distance of 30.00 feet to the NE corner of Lot 45, Forrest Estates Subdivision and the POINT OF BEGINNING thence, S00°10'13"E along the east line of said Lot 45, a distance of 628.58 feet; thence S89°49'47"W, a distance of 20 feet; thence, N00°10'13"W, a distance of 628.64 feet to the north line of said Lot 45; thence, S89°59'27"E along said north line, a distance of 20.00 feet to the POINT OF BEGINNING. ("New Easement")

The easement described contains approximately 0.29 acres and is shown on Exhibit A.

The New Easement shall be for the purposes of construction, operation, maintenance, repair, modification and reconstruction of lateral improvements, underground or surface pipelines, existing and new ditches and for access by personnel, vehicles and equipment, as the District may determine desirable.

Landowners may use the surface portion of their property within the New Easement at their own risk and expense, including all repairs or replacement costs caused by District operations, if such use does not interfere with rights granted the District under this Agreement. Notwithstanding the foregoing, the Landowners shall not construct or place any improvements or structures fixed to the ground within the New Easement without the prior written consent of the District which may be withheld for any reason. Likewise, Landowners may not place, or grant any other person or entity an easement or right to place, pipelines or other structures within the New Easement.
